Adapted from: Federal Register: Federal Register: January 23, 2008 (Volume 73, Number 15) [Notices] Page 3971-3972

**Note: the TANF limits do not reflect the actual benefit issued. This is an estimated maximum income that a family has and still be able to qualify for a small TANF benefit. This maximum level factors in some of the adjustments to income that are made when the state caseworker determines TANF eligibility. If income is close to this maximum, it is strongly recommended that an application be made.*
