More information about Resources:

***SNAP Resource Limits:** Resources count for certain SNAP Households:

- \$2,500 If a HH member was disqualified for an intentional program violation (IPV) or sanctioned for not complying with work requirements
- \$3,750 if a QM household and gross income exceeds 200% FPL
- \$3,750 for Lottery or Gambling winnings

Medicaid – MAGI Programs: Resources are not a factor for MAGI Budgeted Programs. However, if the applicant needs nursing home care (long term care, long term services and supports), they will need to provide information about resources.
