The Role of the Library in Supporting the Immigrant Community

Cary Rositas-Sheftel, Ph.D.
Assistant Director
And when we made it to the other side, thirsty, in awe,

unable to go back, we became immigrants.
The Library

Third space
Knowledge + Information + Imagination and....

Connection
a place we had never seen before.
to speak,

to write,

and
to make
our voices heard.
Where are library-social work collaborations happening?

Helping with trauma

- [List of resources]
Someday we will become something we haven’t even yet imagined.

But right now …
We are stories.
We are two languages.
We are lucha.
We are resilience.
We are hope.

We are dreamers,
soñadores of the world.
