Hi David,
Thank you so much for giving me the opportunity to showcase our work. Here is the email which I shared during today's meeting.

July 2, 2020

Assalamu Alaykum Dear Community,

ICNA Relief in Chicago is excited to announce a new, convenient, and healthier service for donors to give their Qurbani for 2020!

To avoid contamination and the spread of diseases, we are NOT taking meat donations at our pantries this year. Instead, go to icnarelief.org/Qurbani to donate $250 for each whole lamb or goat. A cow share is also $250.

ICNA Relief has a contract with a slaughterhouse and packaging plant to provide meat in pre-packaged bags to be delivered to us in the most sanitary way possible.
For those who want to receive Qurbani meat, please contact us at chicago@icnarelief.org, we will make arrangements for pickup at our Glendale Heights Food Pantry on the designated days (August 7, 8, or 9 from 1 pm to 5 pm).

As always, you can rest assured that we will deliver the sacrificed meat to widows, orphans, and low-income families in our neighborhoods.

I also want to take a moment to thank you for making an outstanding impact on our neighbors' lives. As COVID-19 ravages the economy and puts people out of work, Illinois residents face an unemployment crisis unlike any since the Great Depression. With your support, ICNA Relief steps up to provide emergency services to help our neighbors have enough food to avoid hunger, have access to telehealth, remain sanitary with hygiene kits, have emergency financial assistance, and more. So far this year, we have assisted over 18,500 individuals. Last year, the number for the entire year was 29,000.

Please feel free to email me with any questions or concerns at Chicago@icnarelief.org, or call 844-414-4862.

Best regards,
Dr. Saima Azfar
ICNA Relief Midwest Regional Director
