\*Illinois has a number of special health coverage programs for immigrants who do not have a qualifying immigrant status who meet income guidelines. These programs include:

- [Health Benefits for Immigrants Age 65+](#)
- [Emergency Medicaid for Non-Citizens](#) (including End Stage Renal Disease)
- Moms and Babies
- All Kids
- [VTTC](#): Victims of Trafficking, Torture and other serious Crimes

<sup>11</sup> ESRD: End Stage Renal Disease Covers only the dialysis. If the individual receives medical care due to a life threatening emergency then review the section for non-citizens who do not fit special criteria.

## General Information for Non-Citizens Applying for Public Benefits

- [Public Charge](#) may be a factor when a non-citizen applies for certain Public Benefits. USCIS provides a fact sheet on [Public Charge](#). **It is important to understand that the Public Charge rule only applies to immigrants seeking to enter the United States, immigrants adjusting their status to Lawful Permanent Resident (applying for a 'green card'), or Lawful Permanent Residents (aka, green card holders) who are re-entering the U.S. after being out of the country for more than 180 consecutive days.** There are many immigration statuses not subject to public charge.
- As of March 09, 2021, USCIS is using the 1999 Field Guidance to assess whether someone may become a public charge. There are only two types of public benefits considered: Cash Assistance for Income Maintenance (TANF, SSI, General Assistance) and Long Term Care Institutionalization paid for by the government.
  - For more information and resources about public charge, visit [www.protectingimmigrantfamiliesillinois.org](http://www.protectingimmigrantfamiliesillinois.org).
- [Sponsor Liability](#): Some immigrants have sponsors who assist with the person's entry into the U.S. In some instances the sponsor's income and resources may be "deemed" to the non-citizen to help meet their needs before public benefits can be issued. Sponsor deeming currently applies to the following programs:
  - [Supplemental Security Income \(SSI\)](#)
  - [Temporary Assistance for Needy Families \(TANF\)](#)
  - [Supplemental Nutrition Assistance Program \(SNAP\)](#)
  - [Aid to the Aged, Blind or Disabled \(AABD\)](#) Cash
- In addition the federal, state or local agency has to verify the person's status with USCIS through a data system called [SAVE](#): Systematic Alien Verification for Entitlements Program. Noncitizens with lawful status must provide USICS documents that have the person's Alien Registration A-Number or USCIS number as proof of status. Caseworkers are to check the immigration status of only those persons applying for benefits.

**Programs where citizenship or immigrant status is not a factor:** (this is not an all-inclusive list) - WIC; Emergency Disaster Relief; Disaster SNAP benefits; School Lunch Program; Public Health Services (including testing for communicable diseases and immunizations); Head Start; and more.

## Emergency Medical for Non-Citizens

Persons age 19 and older who are not YES for medical benefits because they do not meet citizenship/immigration requirements, may be able to receive medical help through the state for emergencies. The person has to meet all the program requirements for FamilyCare Assist, All Kids Assist, Moms and Babies, ACA Adult Medical or AABD Medical, except for a Social Security Number and verification of immigration status. People who meet these requirements are only able to obtain short-term medical coverage for emergency care. NO noncitizens are NO for cash and regular medical benefits, including organ transplants. ESRD (End Stage Renal Disease) is considered an emergency so Non-citizens with this diagnosis are able to receive ongoing medical coverage for treatment of this illness.

### **Victims of Trafficking Torture, or serious Crimes (VTTC)**

Effective 01/01/18, foreign-born victims of trafficking, torture or other serious crimes and his or her derivative family members are eligible for medical, cash and/or food assistance if he or she has filed, or is preparing to file, an application for a T-Visa, U-Visa, or asylum, and is otherwise eligible for the benefits. The state has issued a policy manual release for medical benefits eligibility ([MR #17.19](#)) and a separate policy memo for Cash and Food Assistance.

### **Common Documents that Verify Citizenship Status:**

- Alien Registration Receipt Card (AR-3A, I-151, or I-551)\*
  - Conditional Alien Registration Receipt Card (I-551)\*
  - Memorandum of Creation of Record of Lawful Permanent Residence (I-181a)
  - Fee Receipt (including I-689A)\*
  - Employment Authorization Card (I-688A, I-688B, or I-766)\*
  - Temporary Resident Card (I-688)\*
  - Arrival-Departure Record (I-94) (may not contain A-Number)\*
  - Re-Entry Permit (I-327)\*
- I-797 Notice of Action
  - Refugee Travel Document (I-571)\*
  - A foreign passport, when it contains an I-94 bearing the message "Processed for I-551, Temporary Evidence of Lawful Permanent Residence." If there is a code S13; or code S13 in a Canadian passport or on an I-94 this verifies an American Indian born in Canada.
  - Other sources see state manual sections [WAG 03-01-02](#) and [WAG 03-01-03](#)

Samples of common immigration forms can be obtained at <https://www.healthcare.gov/help/immigration-document-types/> this is also a great site for information and resources as you work with non-citizens.

USDA has published [SNAP: Guidance on Non-Citizen SNAP Eligibility](#). This book provides valuable information as well as information about some of the types of documentation required.

### **FORTY QUALIFYING CREDITS**

LPRs may qualify for SSI and SNAP benefits if they can be credited with 40 qualifying credits of work. If the LPR received means tested public benefits after December 31, 1996, then any quarter where the benefit was received will not be counted. (Federal means tested benefits are: TANF; SNAP; Medicaid and All Kids and SSI.) Social Security determines if a person's wage history can be used to meet a qualifying quarter for all benefit programs and certifies if the earnings can count towards a qualifying quarter.

An LPR can receive credit for work quarters in multiple ways:

1. Quarters worked by a parent (natural, step, adoptive) while the LPR was under age 18 (even if the child did not live in the U.S. during this time)
2. Quarters worked by the LPRs spouse during their marriage if the LPR is still married to the spouse or if the spouse is deceased

The U.S. has 60 different types of visas. Below is a list of the types of visas that are usually authorized for employment. Information on immigration status and Social Security benefits is also available at <https://www.ssa.gov/ssnvisa/> and <https://www.ssa.gov/people/immigrants/>

<b>Classifications that Receive Work Authorization</b>	
<b>Visa Classification</b>	<b>Definition</b>
E-1, E-2	Treaty trader or Treaty investor
F-1	Foreign academic student, when certain conditions are met
H-1B, H-1C, H-2A, H-2B, H-3	Temporary worker
I	Foreign information media representative
J-1	Exchange visitor, when certain conditions are met
K-1	Fiancé of a U.S. citizen
L-1	Intra-company transferee
M-1	Foreign vocational student
O-1, O-2	Temporary worker in the sciences, arts, education, business, or athletics
P-1, P-2, P-3	Temporary worker in the arts, athletics in an exchange or cultural program
Q-1, Q-2	Cultural exchange visitor
R-1	Temporary religious worker with a nonprofit organization
T	Victims of Human Trafficking: T Nonimmigrant status
TC	Professional business worker admitted under U.S.-Canada Free Trade Act (NAFTA)
TN	Professional business worker admitted under NAFTA
U	Victims of Criminal Activity: U Nonimmigrant status
None	Deferred Action for Childhood Arrivals (DACA/DREAMer) I-797 Notice of Action issued
